

Bone and Joint Injury and Repair January 16 & 17, 2014

London Convention Centre
London, Ontario Canada

Thursday, January 16, 2014

7:30	Registration	Lobby
7:30-8:30	Breakfast	Salons C&D
8:30	Opening Remarks Conference Chair: Joy MacDermid (Western University & McMaster University)	Salons A&B
8:45 - 10:15	Novel Applications of MSK Imaging Session Chair: David W. Holdsworth (Western University)	Salons A&B
8:45	Invited Lecture "Challenges and Opportunities in MSK Imaging - What We Have Learned From Cartilage Imaging"	Dr. Carl Winalski (Cleveland Institute)
9:15-10:20	Oral Abstract Presentations	
10:20 - 10:40	Break	Salons C&D
10:40	Inflammation and Chronic Musculoskeletal Disease Session Chair: Ewa Cairns (Western University)	Salons A&B
10:40	Invited Lecture "Inflammation as a contributing factor to the pathophysiology of osteoarthritis: a novel paradigm"	Dr. John DiBattista (McGill University)
11:10-12:00	Oral Abstract Presentations	
12:00 - 1:00	Lunch	Salons C&D
1:00 - 2:00	Concurrent Poster Sessions Session Chair: Louis Ferreira (Western University)	Salons C&D
2:00 - 3:30	Evidence-based Decision Making for Health Care Policy and Research Session Chair: Joy MacDermid (McMaster University)	Salons A&B
2:00	Invited Lecture "Where is the future for research - Is it time for a Reformation?"	Dr. Mark MacLeod (London Health Sciences Centre)
2:30-3:30	Oral Abstract Presentations	
3:45-4:15	Break	Salons C&D
4-15-5:15	Panel Discussion: Evidence-based Decision Making for Health Care Policy and Research Panel Chair: Joy MacDermid	Salons A&B
5:15 - 6:15	Poster Viewing	Salons C&D
6:15 - 9:00	Banquet	Salons C&D
7:00 - 8:00	Keynote Address: "Get Hip to the Benefits of Health Research" Andre Picard, Health Reporter, Globe and Mail	Salons A&B

Friday, January 17, 2014**7:30 - 8:30** **Breakfast** **Salons C&D****8:30 - 10:05** **Novel Therapies: Biological Repair and Tissue Regeneration**
Session Chair: Stephen M. Sims (Western University) **Salons A&B****8:30** **Invited Lecture** "Current Concepts and Future Perspectives in Biological Joint Reconstruction"
Dr. Alan Getgood (Western University)**9:00-10:35** Oral Abstract Presentations**10:35 – 11:05** **Break** **Salons C&D****11:05 – 12:35** **Novel Therapies: Components & Implants**
Session Chair: Graham King (St. Joseph's Health Care, London) **Salons A&B****11:05** **Invited Lecture** "New treatments from old drugs: How new drug delivery platforms will change the arthritis treatment paradigm."
Dr. Mark Hurtig (University of Guelph)**11:35-12:35** Oral Abstract Presentations**12:35 - 1:35** **Lunch** **Salons C&D****1:35** **Orthopaedic Trauma**
Session Chair: Abdel-Rahman Lawendy (London Health Sciences Centre, London) **Salons A&B****1:35** **Invited Lecture** "Why Orthopaedic Trauma Research is Important"
Dr. Ed Harvey (McGill University)**2:05-2:55** Oral Abstract Presentations**2:55 - 3:25** **Break** **Salons C&D****3:25-4:50** **Workshop: Major Initiatives in Bone and Joint Injury and Repair**
Session Chair: James Dickey (Western University) **Salons A-D****4:50** **Closing remarks and Next Steps** **Salons A&B**
