

The Bone & Joint Institute at Western University, in partnership with the Canadian Network for Mobility Research (CaNMOR) and the Canadian MSK Rehab Research Network, welcomes sponsors for the **4th Biennial Canadian Bone and Joint Conference (CBJC) June 12th & 13th 2020**. This event will bring together **musculoskeletal researchers and knowledge users** from across the country and beyond. The conference will be preceded on **June 11th** by the **Canadian Bone and Joint Young Investigator's Forum (CBJIYIF)** which includes trainee focused workshops organized by trainees for trainees.

There are a variety of **sponsorship options** and a variety of levels to choose from to meet your budget. **All sponsorship funds provided will directly offset event costs and lower registration fees for our trainees.**
